

REVOLUTIONIZING THE PATIENT PAYMENT EXPERIENCE

One of the most frequent challenges facing LTC Pharmacy operators and their patients is the difficulty in making and receiving payments. BillingTree has changed that by offering intelligent, easy-to-use payment solutions & services that empower patients to make payments HOW and WHEN it is most convenient for them.

MAKING IT EASIER FOR YOUR PATIENTS TO PAY YOU

-  Online Bill Pay - allow patients to pay you when it is convenient for them
-  Merchant Services - accept payments via Credit/Debit cards, ACH/checks, HSA and FSA
-  IVR Payments - reduce compliance risk and increase accessibility
-  Payment Plans - automatically initiate patient payments on a set schedule
-  Text Payments - patients can make payments & receive reminders through simple SMS/texts
